Confirm that the TELO information is accurate. A back-up TELO is greatly appreciated. If you wish to add more than two no problem. Merely place a ; without additional spaces, between the email addresses.

There are times when TE Central wants to share important programming information with other campus offices. Please take the time to add the Additional contact information. We will not contact these offices without Also sharing the message with our TELO's. It is expensive to purchase mailing lists. Your assistance is greatly appreciated.
